Newsletter of the B.C. All Terrier Club

CLUB NEWS

By now, everyone is probably aware that all dog-related events in Canada (and presumably elsewhere) have been cancelled or postponed due to the Corona-19 pandemic. Technically, the CKC has left the decision of what to do in this unprecedented situation to the individual clubs. A quick look at Canuckdogs' Calendar, however, will show that all all-breed shows through June across the country are indeed cancelled, and most of those in July as well, with only a few listed as "postponed". It is indeed possible that the show year will be on hold for some time.

The BCATC executive has been meeting by phone conference more frequently than normal to consider our options as this healthcare crisis has developed, and now has voted unanimously to cancel our Specialty Show for 2020, which would have been held with the Nanaimo K.C. shows which are also cancelled. In addition, the executive has voted to plan for a 2021 Specialty again with Nanaimo (which is inviting its same panel of judges for next year), and to move the previously planned Specialty in 2021 with Vernon & District K.C. to a year later, in 2022.

Sadly, we have also had to cancel the annual Awards Event that was originally planned for the ALS/Renaissance shows at Easter, as it did not seem feasible to have a public event like this, formal or informal, over the summer either. Instead, we are featuring our 2019 Trophy Winners in this Newsletter, and will be arranging to send out the Keeper trophies to those winners, along with the annual Certificates for 2019 Top Dog standings, and new Champions and Titleholders.

Given that the Club plans no events for the rest of the year, the Executive has also voted to cancel our insurance and request a refund.

As Newsletter editor, I am very grateful for the encouraging response from our members for news items and photos, including major articles from Heather Tomlins and Larisa Hotchin in this issue. We of course do not know when there will be enough news available for a future Newsletter, but in the meantime, stay safe and enjoy your Terriers! - Barry Truax

PANDEMIC COMMENTARY

Larisa Hotchin (Darwyn Welsh)

Personally I will not be attending any dog show during June. I also think it is not appropriate for a dog show to go ahead in June. Without a vaccine or cure, we are putting our society at risk. We have an older population that is involved in dog showing, and in terriers specifically. This will be far from over by the time June 2020 comes around. The socially responsible thing to do is to cancel the June specialty.

What I am doing

I have put off all planned breedings, even though inquiries have significantly increased for me (and prior to this, I was getting 25+ inquiries a month). But, one cannot properly socialize their puppies during this time and it is hard for people to travel to get the puppies. And, this includes postponing breeding a bitch of mine that was Winners Bitch for 3 five point majors on Montgomery weekend, and finishing her AKC Grand Championship at the huge shows of Great Western, December Orlando Florida (AKC National) and the Louisville KY shows, which was the WTCA, American Breed Club, Floating National Specialty.

I don't write the above note lightly. We all need to take this very seriously and June is not that long off. The main deaths (especially in the US) will be coming in May, June and July. IF we peak during May, that only means slightly fewer new cases every day and this is a numbers thing, a % of all of those cases will end up in deaths. The vulnerable population will see higher issues. Terrier Exhibitors have a higher percentage of those in the vulnerable groups than the population as a whole.

I'm not trying to be a pessimist, but a realist. The less complacency we have, the less deaths we will have. Speaking now as a former President of the BCATC, and someone who cares DEEPLY about our sport. Please think about what I have written above.

Also, from Joy Viel

“Just wanted to pass on wishes to stay healthy & safe to all our members from d'Artagnan & I. We have been spending time snoozing in the sun and practicing our Rally and Obedience exercises. We have also dusted off our tracking equipment and started working on that again!

One day we will all get to enjoy our various dog sports together again. In the meantime stay safe and “Justnjoy” this down time!”

Palm Springs Kennel Club circuit and on to the Phoenix shows...

Heather Tomlins (Amblegreen Norwich)

There is no nicer way to start the show season than attending the Palm Springs Kennel Club and Specialties! For our Terriers there are two specialties on the Thursday and Friday – The Desert Empire Terrier Club of Southern California. And other terrier clubs host specialties there as well – The Australian Terrier of America comes to mind. It's four days held on the beautiful Indio Polo grounds – well organized and who doesn't like nice weather!! The Coachella Valley offers nice accommodation and great restaurants – truly a fun adventure. Flying into the Palm Springs airport is stress free and finding your way around is very easy. My only recommendation is book accommodation early as that is a popular time to be down in the Sun. I know a number of local terrier people have made it to these shows and have enjoyed them as well!! This year they had close to 550 terriers in regular and sweeps classes. They have ample covered grooming space as well. The rings are outdoors on grass which many of us love for showing our terriers.

This year I was so happy to have Cyndy fly down to join me and show Norwich! **Ch. Amblegreen Dralion Mr Bean** (Rowan) was there with his owners Peggy Mayes, Lynne Wood and myself along with a huge amount of local support! As well I showed Ellie (**Amblegreen Den-Mar's Blue Moon**). What a thrill to have him take the Breed with Cyndy his first day in the ring in the US for a nice 5 point major over 6 specials with an entry of 21 (see photo p.14). Ellie went Winner's bitch so that was awesome too! Rowan went on to earn Reserve Winners Dog another day and a second 5-point major on the last day.

This year I also decided to try a new circuit for me and headed to Phoenix the end of January. They too offered a terrier specialty, The Sun Country Terrier Club, plus 4 all breed shows! This is an indoor facility with lots of room and is one I'll be heading back too. They had approximately 155 terriers as well.

At this show I handled Rowan and Ellie myself. Rowan's owner Peggy came as my assistant! What a fun weekend it was...Lynne joined us on the Saturday too so that was nice. At the Terrier Speciality, Rowan went Winners Dog and Ellie was Reserve Winners Bitch. At the next show, Sahuaro State Kennel Club, Rowan went Best of Winners and Ellie went Winners Bitch. At the 2nd Sahuaro Show the results were the same and finished Rowan! The 3rd all breed show was the Lost Dutchman Show and Ellie went Winners Bitch again and Rowan picked up his first select points. The last day was the 2nd Lost Dutchman show and Ellie once again went Winners bitch for me. Rowan was handled that day by Peggy – her first time in the ring – she did awesome! So in two weekends Rowan was finished in the US and is now moving onto other things with Peggy. Watch for him in agility and nosework when things are finally started again.

NEW ARRIVALS

Ilean Danby of Iz Cairn Terriers and West Highland White Terriers is proud to announce the birth of five Westie puppies on April 22, 2020. Three girls and 2 boys out of GCh. Cleghorn's Fortune and Glory by Alborada Lancelot.

NEW CHAMPIONS AND TITLEHOLDERS

Janis Trozduk reports that her Scottie, **Gryndlscot Scandal At Trotters** ("Scandal") completed her Canadian Championship at the Mount Cheam 2019 Dog Show. Judge Carol Gray awarded her Best Puppy in Group and Best of Winners which completed her title of new Canadian Champion at 10 months of age. Many thanks to Michelle Yeadon for her expertise in handling Scandal at these shows.

The Washington State cluster of shows was held in Puyallup Jan. 10-12 including a Terrier and a Scottie Specialty, with many Canadians present. Heather & David Lindberg's Scottie, **GCh. MacBreachin's Legacy Leidi** "Leidi" (last year's #1 Scottie in Canada and the Club's Top Terrier) was shown there in the classes in very stiff competition (e.g. the #2 dog from Saskatchewan, the #5 dog from BC, the #9 dog from Saskatchewan, the #11 dog from BC, plus two California dogs handled by Amy Rutherford and Danica Burge and some local dogs). Here is Heather's report.

"Leidi went with her handlers, Jen Knudsen and Fano Guillermo to both Puyallup and Portland shows in January 2020. It was so nice to see how well she did in those shows given the stiff competition she was up against. In Puyallup on her first day Leidi picked up a Best of Winners under judge Thomas Hossfeld at the Washington State Scottie Specialty. That win was followed by Winners Female and two Best of Winners wins at the all-breed shows. She had now earned her American Championship.

"In Portland Jen moved her up to Specials. Again this show was difficult given that Leidi had very challenging competition, especially by a specials female shown by Gabriel Rangel ("Mona Lisa").

“But she got Best Opposite under judge Bergit Coady-Kabel beating the Scottie handled by Gabriel. Then the third day brought a really nice win, Best of Breed under John Wade, again going over the favoured female. She also picked up four Select Female ribbons in Oregon. Leidi gained 13 points towards her American Grand Championship.

“Leidi is a lovely Scottish Terrier with a loving and gentle nature to match her physical stature. My late husband David and myself are grateful to her handlers for the work and presentation they gave Leidi.”

Yan Zavelion reports that he finished a GCh. in Canada with his specials bitch “Roxy”, aka **GCh. Skyfall Top Secret**, and he won the Bred By group with her at the All Terrier Club of Western Washington show. She went BOS over a special at the same specialty.

SHOW WINS

Debbie Miyashita reports that she attended the Puyallup and Portland shows in January and picked up 11 points and 3 majors on **Brrams Montana Select**. Looking forward to shows in the USA again next year so we can finish our AKC championship on this lovely boy! He's gone to live with a great family in Whistler and is much loved and will be finished in Canada and the USA at some point in the future, but for now is loving the snow and the trails and the squirrels in Whistler! Stanley (**Ch. Fernrigg's Gold Standard**) went to his forever home with Sharon Nicks in Salem, Oregon - he is much loved and will be doing Obedience, Agility, Rally-O and Barn Hunt and hopefully finishing his AKC championship when the time comes!

Heather Tomlins report that her Norwich **Ch. Amblegreen Dralion Mr Bean** (Rowan) finished his American Championship in style (two 5-point majors and other wins) during the winter shows in Palm Springs and Phoenix. Cyndy Monk handled her the first day. Read Heather's complete account on p. 11.

The show year in BC has only seen 3 weekends of shows before all of the cancellations began. The first was held by Ladies K.C. at the Abbotsford Ag-Rec building Feb. 7-9, a show site that hasn't been used for awhile, but exhibitors seemed to enjoy the more relaxed and less crowded space, with an entry of 225-250 dogs. The first day, Bruce Fraser awarded the Terrier group to Barry Truax's Scottish **Ch. Glenfraser's Islay Rose** "Sadie", co-owned with Darlene Lenfesty (and half sister to "Leidi" shown above), on the first day of her Specials career – much to Barry's surprise and delight!

Group 3rd went to Spencer and Tracy Tucker's Westie, **GCh. Munrose Dirkhaven Pippalotta**, with Best Puppy going to Larisa Hotchin's Welsh, **Darwyn's Ma Belle Amie**. On the second day, Pat Hastings awarded the Group to Vicki & Greg Stephens' Min. Schnauzer, **GCh. Empire Dreamaker Hot Tip** (who had not been shown the previous day). The final day, Virginia Lyne also awarded the Group to the Schnauzer with Best Puppy going to the wheaten Scottie, **Trotters Who's Ur Daddy**, co-owned by Janis Trozduk with Ashley and Andrew Reid.

Janis Trozduk reports as follows: The International All Breed Canine Association and International Dog Shows (IABCA) were held in Lynden, Washington this past January. **Can/Am GCh. Trotters Man In Black**, aka Cole, was entered for 3 sets of shows. At each show he attained the highest ranking possible and also winning the Terrier Group. Not only does he have a Grand Championship title in both Canada and the United States, but he now has his International Title, earned at the age of 8 years. Cole loves to be in the show ring and presents himself like King Cole.

The Mt. Cheam Canine Assoc. held 3 shows Feb. 21-23 in Chilliwack. The first day, Julio Ronco from Panama awarded Group 4th to Yan Zavelion and Tatiana Antonenko's Soft-Coated Wheaten, **GCh. Skyfall Top Gun** and Best Puppy to **Skyfall Emerald of Juvelisto**, co-owned by Yan with Sasha Shkolnik. The second day Tabatha Buckley-Bettis from Australia awarded the Group (and Best Owner Handled) to Vicki & Greg Stephens' Min. Schnauzer, **GCh. Empire Dreamaker Hot Tip**, and Group 2nd to the Soft-Coated Wheaten. The third day, Igor Vygouzov from Russia, awarded Group 2nd to the Min. Schnauzer and Group 4th to the Wheaten.

The Vic City shows were held Feb. 28 through March 1 in Duncan and attracted a very large terrier entry with 20 breeds represented and around 16 Specials being shown in a group of 42-46 terriers. As a result, the show felt more like a Specialty than a regional show, and probably reflects the growing number of exhibitors who live on or have moved to Vancouver Island. The first day, Hans Almgren from Sweden judged terriers, but did not place any club member's dog. The second day Harto Stockmari from Finland gave Group 3rd to Larisa Hotchin's Welsh, **Ch. Darwyn's Trail Blazer**. The final day, Kim Ramey-Leblanc awarded Best Puppy to Heather Tomlins' Norwich, **Amblegreen Dralion Inverloch Dark Storm**, co-owned with Trude Forbes.

Larisa Hotchin (Darwyn Welsh) reports on her dogs' wins, mainly outside of Canada in 2019.

Robbie (**GCh. Darwyn's Trailblazer CA NS**) was #3 in the US in the National Owner Handler Series during 2019. To get there, he won a number of Group 1st wins and a couple of Reserve Best in Shows. One of the wins that I am particularly proud of is the 5-point major that he won from Best of Winners on MONTGOMERY WEEKEND, from the Bred-By Class. There were 35 Welsh Terriers in the classes that day. In fact, that weekend, Robbie won the bred-by class every day, including the WTCA National Specialty at Montgomery, shown by his breeder-owner, Larisa Hotchin. Robbie was Canada's #1 Welsh Terrier for 2019. See his photo on page 3.

Morgana (**Am. GCh. & Can Ch. Darwyn's Morgana le Fay**) finished her American Ch. on Montgomery weekend. She won 3 5-point majors that weekend (WB), and a RWB that weekend at the US National Specialty. Morgana ended up finishing her American Grand Ch. with points all coming from very competitive shows, including the AKC NATIONAL in Orlando, Florida, GREAT WESTERN Terrier Association and Louisville KY, the weekend of the WTCA Floating National Specialty. Morgana came back home to Canada shortly before the border closed.

Mickey (**Am. GCh. & Can Ch. Darwyn's Sorcerer's Apprentice**) was awarded every day on Montgomery weekend, including Select Dog at Hatboro and 1st AOM at the National Specialty. Mickey then went on to win Best of Breed at the very competitive GREAT WESTERN TERRIER ASSOCIATION. Mickey came back home to Canada shortly before the border closed.

Walter (**Denmark Ch. Darwyn's Walter the Viking**) finished his Danish Title in the Fall 2019, this included some top group and BIS placements.

Darwyn now has 47 Champions around the world, of which 33 are Canadian Champions and 29 are AKC Champions.
