IN MEMORIAM: BARBARA WATT (1932-2016)

It is with great sadness that we heard about the passing of one of our long-time BCATC members and respected terrier judge, Barbara Watt, an avid Wire Fox breeder (Plawsworth). Here is her obituary, followed by a special tribute by Margaret Jones.

Born in Victoria to Archibald Alexander and Kathleen Marrable Watt (nee Flood). Predeceased by her parents and infant brother Archie; survived by cousins in BC and the UK, and many good friends.

Attended The Poplars School and the Royal Business College. After graduation, she worked at the College as secretary/teaching assistant, then spent many years with the Greater Victoria Public Library, beginning as Secretary to the Librarian and ending as Comptroller and Treasurer to the Library Board. Long-time breeder of Wire Fox Terriers under the Plawsworth (Perm. Reg.) prefix, enjoying many successes in the show ring plus providing many people with loving family pets. Canadian Kennel Club all-breed conformation judge. Life member of CKC, Victoria City Kennel Club, BC All Terrier Club, Wire Fox Terrier Club of Canada, also member of UK Wire Fox Terrier Assn, Fox Terrier Fanciers of Puget Sound, Canadian Dog Judges Association, V.I. Scottish Country Dance Society, and Volunteer, Friends of Government House Gardens.

I have been privileged to day to attend the funeral of a remarkable person. While tears were shed during her funeral, it was a service of celebration for a lady who has led a full and amazing life. Barbara's precious dogs attended the funeral too. Wire Fox Terriers, Cairn Terriers and several other breeds represented Barbara's love and passion in life. All were aware they were in a special place with their owners and gave reverence to the occasion. During the past week I have had the opportunity to speak to several of Barbara Watt's life long friends. I consider myself one of Barbara's friends but I have known Barbara for only 25 years! Quite a short time really in the life of an Octogenarian!

We all know Barbara as a breeder of Wire Fox Terriers and All Breed Judge, but until today I did not realize how little I knew about this lady and how fate can intervene in our lives. Alison Leamy, a close friend remembers first knowing Barbara as 18 or 19 years of age as she attended some of her first dog shows with her Father and Mother. They walked around the dog shows looking at dogs. At the time Alison's Mother raised Irish Setters. Barbara and her parents originally planned to buy a Scottish Terrier from Harry Dodds but unfortunately he had sold them all and instead offered Barbara a Wire Fox terrier. The Fox terrier was out of one of two bitches brought from UK by Joe Dodds. This began Barbara's more than 60 years of owning and breeding Wire Fox Terriers.

The year was 1954 and at this time Barbara met another life long friend Stella Newby. Stella also bought a Wire Fox Terrier from Joe Dodds. The two young ladies were great friends and competed against each other at dog shows. Stella remembers a time when they showed dogs at the Crystal Gardens. A floor was placed over the pool for the dog show. Apparently it was a little wobbly but the show went on! Stella Newby went on to breed top winning Wire Fox Terriers and Cairn Terriers.

Long time friend Allison related a wonderful story of Barbara asking Harry to show her dog. When the scheduled show time arrived Harry was nowhere to be found but Joe also a great 'dogman' took the dog into the ring under what was considered an inept judge. Apparently the 'inept' judge put up the dog, thinking it was an import!! Sound familiar??

During Barbara's early years of showing dogs, her parents were very supportive. Barbara's mother always had a stall at local Sanction Matches and sold marmalade, muffins and cakes. She also knitted children's toys. Any proceeds from these products helped to support the Victoria City Kennel Club. Barbara continued to be an active member of this Club and was currently President.

As young woman she worked 39 years in a library first as a secretary and at the end of her career was the Comptroller of a booming four branch library system. At retirement Barbara had more time to spend on her life long hobby of breeding Wire Fox Terriers and expand her Judging career.

Another life long friend Barbara Downie remembers going to dog shows with Barbara when she was younger and also in later years. As youngsters they enjoyed showing their dogs and years later they still travelled to shows together. Barbara Downie related a story when they were somewhat incapacitated by aging bodies. Barbara Watt had received her first hip replacement and Barbara Downie had fallen and had a sore leg. It was her right leg and she had great difficulty applying the car brakes. No matter, with walking canes and Tilley hats and Wire Fox Terriers in tow they drove to Courtenay from Victoria. Barbara Downie told me she still has scars from Barbara's Wire Fox terrier 'Polly' who hated other dogs and was 'the scrapper!

The memories of Barbara's lifetime friends give us just a small glimpse into the life of a well-organized and pragmatic person. It was suggested to me that Barbara was always organized and probably wrote her own obituary! On checking.... Yes she wrote most of it!! Barbara also had great input into her funeral. How practical! It seems Barbara instructed the Reverend Fournier to keep the eulogy to dogs and to keep it short!

A few days before Barbara travelled on her journey from this world to the next, she was visited by yet another friend with her 12 week old Cairn Terrier puppy. She was delighted with the visit and gave a very complimentary assessment and commented on his 'dark shoe button eyes'. Barbara was a true Terrier person and she was a Judge to the end. May she continue judging all those dogs in Heaven! I am honoured to have known this remarkable lady.

BCATC SPECIALTY SHOW 2017

Yes! Our Club is having a 2017 Specialty! At the last club meeting I was appointed Show Chair for the event on Labour Day weekend at the Kamloops and District Kennel Club 50th Anniversary show. Margaret Jones, Show Chair of the October 2016 Terrier Specialty, will be assisting as advisor. You may recall our BCAT Club celebrated its 50th Anniversary a few years ago which was chaired by Margaret.

At the current time, I'm awaiting a formal invitation from the Kamloops show committee and so any specifics on the show are not yet available, suffice to say the venue is being offered to us with no charge.

While September is a long ways off, there is much to plan to make our event truly "special". We will need a few members to join the show committee for specific tasks – and still show their dogs, of course. If you think you might like to play a part in the staging of this event, these 'jobs' need a person to head them: Hospitality, Trophies, Fund Raising, Junior Handling, Ring Decorations, Ring Steward.

Any meetings we may require can be done via email utilizing the "reply all" key or conference call. This form of communicating will allow members outside of the Lower Mainland to be part of 'the team'. For any members living in the Thompson/Okanagan area, this is a good opportunity to play an active part as a Member of the BCATC.

As well, if anyone would like to know the finer points of staging a Specialty show, I would be more than happy for you to shadow me. In this way, it will guarantee that younger members will keep our terrier club active for the next 50 years!

I encourage all members to help make this show one of which we can be proud. Many hands make light work and believe me, when one is staging a dog show, every hand is appreciated! If you have any questions or suggestions, please contact me. I have a brand new notebook to record them all!

Sincerely:
Sheila Ehmann

Sheila also says that that she's added a second Westie to her population - a 4 months old, **Windacre Causin Trouble**, call name Kallie. She joins 4 year old Westie, Kismet, and 9 year old Greyhound, Lacey.

Update from Darwyn Welsh Terriers:

New Champions:

New Canadian Champion: Ch. Darwyn Knowlelion Special Brew (Bruce)

New American Champions: Am/Can Ch. Darwyn's Sorcerer's Apprentice (Mickey)

Am. Ch. Darwyn's Twilight Princess (Zelda)

New champion in one weekend for a 6 month old puppy and an award at an English CH show!

We sold a lovely male that we bred to a good friend in England, who travelled to England (via Belgium!) a few days after the Elsie Murray & Ladies shows in early November. Since he turned 6 months old the day before Elsie Murray started, we decided to put him into the ring with 2 of our girls, to give him some ring experience before he left for England. That boy, Bruce - **Darwyn Knowlelion Special Brew**, started and finished his championship that weekend! He won the breed all 4 days, received 3 group placements, 3 Best Puppy in Group and a Best Puppy in Show award! In early December, this boy attended his first English Championship Show (LKA) and in a good breed entry, was awarded Reserve Best Male and Best Puppy in Breed - as well as a few compliments. Bruce is a "Mickey" son, our boy that finished his championship on Montgomery 2016 weekend.

New champion on Montgomery weekend – Darwyn's 40th champion and 16th winner at a WTCA specialty (on Montgomery weekend!)

Mickey, **Am/Can Ch. Darwyn's Sorcerer's Apprentice**, was awarded WD and Best of Winners for a 5 point major at Hatboro I under terrier specialist, Wyoma Clouss. This was Mickey's 4 major, all done on US terrier specialty weekend, to finish his championship. The next day, at Hatboro II, under terrier specialist, Todd Clyde, Mickey was awarded "Select Dog" in a large field of male specials entered. In early December, Mickey was awarded back-to-back group placements in North Carolina. He's only 2 years old but is very exciting. Mickey is a son of Maria and Java, both winners of BCATC top annual awards. Mickey was owner-handled to his first 3 US majors and is now handled by Ernesto Lara out of Pennsylvania.

MULTI-YEAR TERRIER DATABASE

Barry Truax

My Terrier Database is now online and freely available for anyone to access. It documents **all** Terriers who have won Best of Breed and up for the years 1986 – 2015 in accordance with the CKC's Top Dog system. These pdf files (which can be searched in most browsers for any particular name or word) allow you to access all Best of Breed, Group and BIS records from that period, for instance, for specific dogs or judges. You can access these results for your breed in the following ways:

- 1) Annual Top Dog standings (complete).
- 2) Group Level Judging where for each judge, all of the dogs they have judged at Group level are listed, along with their placements.
- 3) Group Level Judging where for each dog, all of the judges that have judged it at Group level are listed, along with their placements.
- 4) Group Level Judging statistics where for each judge that has judged the breed 20 or more times, a statistical summary of their Group and BIS placements is given, including a % figure for their Group placements of the breed. This information can be followed up with option 2 above to see which dogs were involved.
- 5) Group Level Judging statistics for all dogs in the Breed who have at least one BB win, including the % of group appearances that have resulted in a placement. This represents a multi-year career total for each dog. The list is ranked so that one can easily see who the biggest breed winners have been over the years 1986-2015. This information can be followed up with option 3 above to see which judges were involved.
- 6) Best in Show Level Judging where for each judge, all of the dogs they have judged at that level are listed, along with their placements.
- 7) Best in Show Level Judging where each dog that has been judged at that level, all of the BIS judges are listed, along with their placements.
- 8) Single year record holders listing for each breed (complete from the beginning of the Top Dog system in the 1960s), updated annually.

This Terrier Database can be accessed at: www.sfu.ca/~truax/Terriers/Terrier.html

The site is freely accessible, and this url can be shared with anyone who is interested.

In the near future, I hope to add a similar site for all of the other Groups, but this will be limited to the years 1988-2007 when I compiled this data for *Dogs in Canada*. Fortunately, canuckdogs.com picks up shortly after this.

A piece of trivia: from 1986 to 2015 there were 173,884 Best of Breed terrier ribbons awarded!
